

Export contract

Ericsson Nikola Tesla and BH Telecom sign contracts worth 30 MHRK

Ericsson Nikola Tesla and BH Telecom signed contracts, worth 30 million kunas, for modernizing the operator's fixed, service and mobile networks. Pursuant to this the networks performance shall be optimized.

“Modernized fixed, mobile and service networks will enable BH Telecom consumers to access highly modern services now offered within global trends; also, the quality of currently offered services shall be raised”, says Nedžad Rešidbegović, MSc, CEO of BH Telecom.

Regarding the new contracts, the president of Ericsson Nikola Tesla, Gordana Kovačević MSc says: „Our new contracts with BH Telecom, the major telecom operator in Bosnia and Herzegovina, speak in favor of our long-term partnership in business. We have continued our fruitful collaboration in modernizing the telecommunications in Bosnia and Herzegovina. The citizens and companies in the country have been offered a number of attractive services that make daily life easier and also enable efficient business operations.“

Ericsson is the world's leading provider of technology and services to telecom operators. Ericsson is the leader in 2G, 3G and 4G mobile technologies, and provides support for networks with over 1 billion subscribers and has a leading position in managed services. The company's portfolio comprises of mobile and fixed network infrastructure, telecom services, software, broadband and multimedia solutions for operators, enterprises and the media industry. The Sony Ericsson and ST-Ericsson joint ventures provide consumers with feature-rich personal mobile devices.

Ericsson is advancing its vision of “to be the prime driver in an all-communicating world” through innovation, technology, and sustainable business solutions. Working in 175 countries, more than 75,000 employees generated revenue of SEK 209 billion (USD 32.2 billion) in 2008. Founded in 1876 with the headquarters in Stockholm, Sweden, Ericsson is listed on OMX NASDAQ, Stockholm and NASDAQ New York.

***Ericsson Nikola Tesla**, as an integral part of the Ericsson Group, supports the modern ways of communicating. The company's activities include marketing and sales, research and development, design of the total communications solution, services in the multi-service and mobile networks area including the mobile Internet and complex system integration in all business areas. The company provides innovative ICT solutions that constantly improve people's life and create new value.*
